Alton Santa

Post your Christmas Card to Alton Santa

Create a special Christmas card, drawing or letter for Santa and pop it into the postbox on his sleigh when he comes round.

All the cards and pictures will be shown in Santa's online gallery on the Alton Santa website.

If a parent or carer adds their email address on the back, Santa may even send a reply!

Please only include the child's **first name** and no other personal details on the front of your card.
