25th September 2026

Dear Parent/Carer,

SCHOOL CENSUS – Thursday 1st September 2026

The Government provide funding to schools in line with the Universal Free School Meals scheme. In order for Wootey Infant School to obtain the maximum funding possible (via Pupil Premium) for our children we would appreciate your support in encouraging your child to take a school meal next Thursday (1st September). There will be a change to the normal menu choice on this day.

We will book every child a hot school meal (excluding children with allergies/intolerance), which will be Crispy Coated Chicken on that day. If you require a vegetarian option, Veggie Dippers or a Jacket Potato for your child, please choose in class as normal. Options come with Mini Donuts or fruit for pudding. Please do feel free to send your child in with a lunch box, if you wish, but we will try and encourage them to sample the meal provided.

Registering for Pupil Premium could raise an extra £1,515 per pupil for our school. If you are eligible, school will be notified. Your child will continue to receive free school meals beyond their Infant years and the school will receive much needed extra funding. All children who are registered for Pupil Premium will be provided with one free school jumper/cardigan per year, please collect this from the office. [Check to see if you may be eligible here](#)

If you need any further information, please speak to the office. You can also visit the free school meal website [here](#)

Your support is greatly appreciated.

Yours sincerely

T McKee
