Dear Parents/Carer's

Puffin Class – Staffing Update

I am writing to let you know about a change to the teaching team in Puffin Class from January 2027.

Miss Collins, who currently teaches Puffin Class for three days each week, will be leaving her classroom teaching role at the end of the autumn term to pursue additional work as a SENCo. We are pleased that Miss Collins will continue to work at Wootey Infant School for two days each week, supporting our children and families through her SENCo role. However, she will no longer be teaching Puffin Class.

We are delighted to have appointed Mrs Michelle Muscat to continue the excellent work in Puffin Class alongside Mrs Stoodley until the end of the school year. The children will already be familiar with Mrs Muscat, as she has covered Puffin Class on numerous occasions. This familiarity will help to ensure continuity and a smooth transition for the children. Mrs Muscat will be in school on Monday next week, if you would like to introduce yourself.

We are confident that Mrs Muscat and Mrs Stoodley will continue to provide the children with a positive, nurturing and engaging learning environment, enabling them to make good progress and enjoy their learning throughout the remainder of the school year.

I would like to thank Miss Collins for her work with Puffin Class and wish her every success as she develops her SENCo role further. We are also very pleased to welcome Mrs Muscat into the class teaching team on a more permanent basis.

Thank you, as always, for your continued support.

Yours sincerely

T McKee
