Dear Parent/Carer

Re: Out of School Care

In order for us to set up your payment account correctly on our online SCOPAY service for After School Care, we need to know whether you will pay for this facility by Childcare Vouchers and in whose name the vouchers are payable to.

If you have not yet registered for Child Care Vouches you will need to speak with your employer to obtain the provider details, to enable you to register, before completing the form below. The provider will need our Ofsted No. which is 115985 in order to register you.

Please could you complete the slip below and return it to the school office as soon as possible.

Out of School Care

Name of child..... Class.....

Name of Childcare Provider.....

Childcare Voucher Payee

I will **NOT** be paying for After School Care by Childcare Vouchers ☐ (please tick)
