9th September 2026

Dear Parent/Carer,

Pets As Therapy

Wootey Infant School is delighted to inform you that we are registered for Pets As Therapy visits, which can help to give pupils opportunities to increase their confidence and sense of well-being. We sometimes have opportunities for additional children to benefit to the sessions, which have been running this school year. Please give your consent if you would like us to include your child as and when possible.

Pets As Therapy registered Dogs, under the close supervision of the PAT Dog's owner and a member of the school staff visit children in their class. These dogs are specially registered dogs who normally visit in hospitals, hospices, care homes etc. They will remain on the lead and under control at all times. A member of school staff will lead the sessions and will be present throughout.

Please complete the consent [here](#) Please also notify us via the link if your child has any fears or if there are any medical conditions related to contact with or the presence of a dog in school.

Thank you for your support.

Yours sincerely

T McKee
