10th September 2026

Dear Parents,

School Photographer

The School Photographer will be visiting us on **Monday 14th September** to take individual photographs of the children. We are delighted that Make Photography, our treasured photographer will be returning to us again this year.

If you wish your child to be photographed with siblings, please report to the school hall at 8a.m. (this includes siblings from the junior school), this is to help ensure that the children are not late for their classes and to keep the queue to a minimum wait time. **Individual photos will be taken during class time.**

If you wish to send in a brush or comb, we will endeavour to encourage your child to use it!

In order to be compliant to GDPR we provide the school photographer with your child's name, class and admission number in order to ensure you are provided with the correct photograph.

Yours sincerely

T McKee
